

South Boston, VA – August 1, 2014 – Press Release:

BHK of America, Inc. announces new distribution agreement with Manhattan Laminates LTD., New York, NY.

Founded in 1982, Manhattan Laminates is the premier distributor of woodworking supplies in the New York metro area, and remains the only full-line distributor in Manhattan. Additional locations in Queens and Long Island stock a huge selection of laminate, adhesives, hardware, coatings and accessories. Its delivery fleet, covering the entire New York metro area and Northern New Jersey makes Manhattan Laminates the first choice for architectural woodworkers, fabricators, contractors and the Set & Scenic industry.

“BHK of America’s portfolio of furniture component/drawer solutions is perfect for our customers who demand high quality products with competitive pricing and delivery in the shortest possible time.” says Ken Kriney, President of Manhattan Laminates. “They are looking to deliver high value in what is arguably America’s most competitive market”.

“I am very pleased to announce the addition of Manhattan Laminates to our growing list of BHK distributors. Manhattan Laminates is a well-established, premier distributor with multiple locations throughout the New York Metro area and Long Island, and with sales representation in New Jersey, and adjacent counties in New York State. Together with Manhattan Laminates we will continue to increase the sales and market share for our products in this important, geographical region.” says Reiner Kamp, President and CEO of BHK of America, Inc. “We remain committed to distribution and value our distributors as partners that afford us to reach a broader customer base in an involving industry.”
